

Welcome Vendor:

Thank you for your interest in the 3rd annual Oxnard Insect Festival, scheduled for Saturday, June 3, 2023 at Oxnard's Plaza Park. We invite you to join us, whether you are one of our returning vendors or a new vendor. Please act promptly to guarantee your place as booth space is assigned on a first-come, first-served basis.

We are looking for food vendors, of both edible insects and the more standard fare; arts / crafts vendors; and commercial booths. For your convenience, an application packet is attached and includes the following, depending on your stated area of interest:

- Event Rules and Regulations
- Insect Vendor Application (both food and non-food)
- W-9

Applications and full payment must be received no later than **Thursday, April 20, 2023 for all food vendors**. The deadline for **non-food vendors (arts & crafts or commercial) is Friday, May 5, 2023**. Early submissions are encouraged: we reserve the right to deny duplicate vendors as we work to create a well-balanced event. This also allows us to better promote the festival, as well as create an accurate festival map which attendees will use to find you.

Our inaugural Oxnard Insect Festival attracted about 6,000 visitors. We recognize that you, whether you are selling food, arts, crafts, promoting your business or helping the public gain a better understanding about the role of insects in our world, are crucial to our success. We look forward to working with you to make this year's event an even bigger achievement.

For further information, you may contact me via email at yolanda.pina@oxnard.org or by calling the City of Oxnard Recreation office at (805) 385-7995 or my cellphone, (805) 377-5820.

Sincerely,

Yolanda Piña
Recreation Coordinator
